Sealer!

Got a leak?

QUEST™ R-134a SUPER SEAL is the most effective leak sealer for both metal and rubber leaks for auto airconditioning systems on the market today. Over a million satisfied customers can't be wrong!

SUPER SEAL repairs *metal* leaks in evaporators, condensers, compressors, accumulators and receiver/dryers, and it also seals *rubber* leaks in o-rings, gaskets and hoses.

SUPER SEAL includes leak detector, so you'll be able to pinpoint the exact location of the problem area.

#1 Auto A/C Leak Sealer!
